We Are Morphing...

As announced in our Carondelet Artists e-News, we are no longer Carondelet Productions. We have changed our name to Carondelet Artists. You will NOW notice changes in our website. The domain name and address has changed from

www.cproductions.org
to—

www.carondeletartists.org
Click on our new name to see it.

Stay tuned as we continue to make changes.

The Southwestern desert provides the natural habitat for the Gambel's Quail, *Callipepla gambelii*. Quail are very social birds. They mate for life, live in a covey and have at least 20 distinct clucks and calls. You can hear the sound of the wild quail at: <http://www.allaboutbirds.org> Type "Gambel's Quail" in the search box.

Author/Illustrator

Donna Gibbs, CSJ, writes and illustrates children's books with ecological themes. She believes that parents and educators have a great responsibility to midwife a new wisdom in our children, since they now inherit the ability to influence everything that happens to living Earth. ☪
